NOTES:

1.Working temperature range:  $-40^{\circ}\text{C}$  TO  $+125^{\circ}\text{C}$ .

3.UL Flame resistance rating:UL-94 HB

5.Electrical characteristics:

Rated voltage configuration (V):12

|                                                                                                                                   |     |        |          |       |                                                                                       |                 |
